No.3 (3)/2021-CNS

Karachi, 10 June 2021

**Circular No. 002/2021**

**ELIGIBILITY CRITERIA AND SYLLABUS FOR RATING FORMING PART OF NAVIGATIONAL WATCH UNDER THE PROVISION OF REGULATION II/4 AND REGULATION II/5.**

=====

Notice to all ship owners, Masters, Officers, Ratings, and those concerned with maritime training.

=====

**Summary**

This Notice sets out and explains the regulatory requirements regarding the implementation of training elements applicable under Chapter II of the STCW Convention and Code. It details the training and certification requirements for seafarers working on ships and wants to appear in STCW Examinations and this circular supersedes all other circulars issued, previously, in this connection.

**1. Certification of Ratings Forming Part of a Navigational Watch**

Every rating forming part of a navigational watch on a seagoing ship of 500 gross tonnage or more, other than ratings under training and ratings whose duties while on a watch are of an unskilled nature, shall be duly certificated to perform such duties.

- 1.1 The eligibility criteria for certification of ratings forming part of a navigational watch under the provision of STCW Regulation II/4 shall be as follow;
- 1.2 Every seafarer for certification shall:
  - .1 be not less than 18 years of age;

.2 have completed approved seagoing service of at least 12 months onboard vessels of 500 gross tonnage or more, during the last five years (in any deck capacity); including not less than six months of approved seagoing service associated with bridge-watch as a trainee rating forming navigation watch; and

in case of deck cadet, shall have completed approved seagoing service of at least three months onboard vessels of 500 gross tonnage or more, during the last five years;

.3 at least 20 hours steering certificate;

.4 have valid Medical Fitness certificate along with eyesight and hearing from Mercantile Marine Department;

.5 have Personal Safety and Social Responsibility Certificate;

.6 have Personal Survival Techniques Certificate;

.7 have Fire Prevention and Fire Fighting Certificate; and

.8 have Elementary First Aid Certificate

1.3 candidates will be granted 2 months remission in approved seagoing service provided he holds a GP-III certificate issued by the Approved Institutes in public or private.

1.4 candidates who comply with the eligibility requirements stipulated in para 1.2 will be assessed through the oral examination under provisions of the syllabus set in Annex I and section A-II/4 of the STCW Code 1978, as amended from time to time.

## 2. **Certification of Ratings As Able Seafarer Deck**

Every able seafarer deck serving on a seagoing ship of 500 gross tonnage or more shall be duly certificated

2.1 The eligibility criteria for certification of ratings forming part of a navigational watch under the provision of STCW Regulation II/5 shall be as follow;

- 2.2 Every candidate for certification shall:
- .1 be not less than 18 years of age;
  - .2 have a Certificate of a Rating Forming Part of a Navigational Watch;
  - .3 have approved seagoing service of not less than 18 months in the deck department while holding a Certificate of Rating Forming Part of a Navigational Watch; and
  - .4 have completed approved training of Efficient Deck Hand from Approved Institutes in public or private.
  - .5 have a certificate of proficiency in Survival Crafts and Rescue Boats other than Fast Rescue Boats.
- 2.3 deck cadets will be exempted from the requirements of Certificate of Rating Forming Part of a Navigational Watch as required in para 2.2 or 2.2.3.
- 2.3 candidates who comply with the eligibility requirements stipulated in para 2.2 will be assessed through the oral examination under provisions of the syllabus set in Annex II and section A-II/5 of the STCW Code 1978, as amended from time to time.

3. **Revalidation of Certificates of Proficiency under the provision of Regulation II/4 & II/5 of STCW Convention**

Under Regulation I/11 of STCW Convention 1978, as amended, the revalidations of above certificates are not required, however certificates issued prior the year 2006 shall be considered cancelled after the full implementation of STCW convention 1995 amendments. The candidates in possession of certificates issued prior January 2006 shall be re examined and issue new certificate of proficiency.

3.2 The candidates willing to get new certificate five years after the issuance date of the above Certificates of Proficiency, may be issued new certificate with date of re issuance provided candidate has completed 12 months approved sea service on ships of 500 GT or more. If candidate is not having this service he shall be re examined as a new examination.
